(ER 04/279) (Agency wait period ends: **November 22, 2004**)

The Forest Service has provided the Department with one paper copy of the Final EIS for the Wasatch Powderbird Guides Permit Renewal, Wasatch-Cache National Forest and Uinta National Forest, Salt Lake County, Utah. The Department provided comments on the Draft EIS in a letter dated May 20, 2004. Further comment by Interior is not required unless the document is found to have a serious omission or deficiency in areas where we have jurisdiction or special expertise. Since there is only one paper copy of the Final EIS, it will be retained by this Office. Bureaus lacking internet access may borrow the file copy for review if necessary.

Comments, if any, should be transmitted through channels to arrive in this Office by **November 9, 2004**.
